

algorithm1.hh

```
graph BT; A[algorithm1.cpp] --> B[algorithm1.hh]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'algorithm1.hh'. The bottom box is white and contains the text 'algorithm1.cpp'. A solid blue arrow points vertically from the top edge of the bottom box to the bottom edge of the top box, indicating a dependency or inclusion relationship from the .cpp file to the .hh file.

algorithm1.cpp
